TO : Chairman, Projects Review Committee
THRU : Deputy Executive
FROM : Assistant Director for Special Operations
SUBJECT : Request for Approval of Project [redacted]

STATINTL
STATINTL
STATINTL
STATINTL

In accordance with Administrative Instruction Number [redacted] approval is requested for the construction of a radio transmitting station to augment the existing CIA Forward-base signal facilities at [redacted]. An adequate transmitting station is required [redacted] to more fully support existing and proposed CSO Central European clandestine radio activities and so as to be more capable of supporting resistance elements in [redacted] countries as envisioned by OPC Communications Plan [redacted].

STATINTL STATINTL

Plans and specifications for a suitable radio transmitting station have been prepared by appropriate [redacted] officers in [redacted] who

[redacted] bids from approved civilian [redacted] contractors have been received which indicate the entire project, plus normal contingency allowances, can be completed for not more than \$71,000.00. The associated radio equipment and auxiliary power generators are either on hand or being obtained under previously authorized 1949 Procurement Programs.

STATINTL
STATINTL

Payment for the contractual services incident to the construction of the proposed transmitting station can be made with [redacted] through the Post Engineer, [redacted] Military Sub-Post, [redacted] who will function as Contracting Officer. It is recommended that unvouchered funds for this purpose be allocated from the current Commo [redacted] Budget.

MEMORANDUM FOR THE RECORD

Subject: [REDACTED]

- (1) Approval for construction of a radio transmitting station to augment the existing facilities [REDACTED] was given by the Director on 28 November 1949.
- (2) The estimated cost is \$71,000 and the money is to come from unvouchered funds. Specifically, the money will be taken from the 07 (contractual) Departmental budget allotment. (This information from [REDACTED] B.L.C.).
- (3) Charges for the construction work will appear in the regular [REDACTED] operational cost report. This report is to come to Communications for approval. (This information from [REDACTED])
- (4) All negotiations with and payments to contractors and suppliers will be handled by the [REDACTED] for security reasons.
- (5) The mechanics involved for the transfer of funds is not definitely known here. It is assumed that invoices from the [REDACTED] will be paid upon presentation in [REDACTED]. However, it is possible that a lump sum advance may be made to the [REDACTED]. These details will be worked out by [REDACTED] who is completely familiar with the whole job. (This information from [REDACTED] Special Funds)
